

Photo/film/audio consent form

Carers Leeds produce a wide range of communication resources (from leaflets and newsletters to short films and web pages) to tell people about the support and services available to unpaid carers and to raise awareness of carers issues.

By completing this form, you give us permission to use the photographs/film/audio we have of you in our communications.

Thank you for your help. It is good to show real people involved in our work.

We would like to be able to use your photo(s) in a range of communications. These may include printed publications (leaflets, newsletters); adverts; electronic materials (e.g. videos, presentations, on social media, websites); media work (press releases) and display materials (posters).

I understand and accept the purposes for which Carers Leeds will store and use the images/recordings taken of me.
